Jennifer Gallagher  
Program Coordinator, CDTR  
The Brown School  
Washington University  
[jhultz@wustl.edu](mailto:jhultz@wustl.edu)

Date of Submission: \_\_\_\_/\_\_\_\_/\_\_\_\_

Name: \_\_\_\_\_

Academic Title: \_\_\_\_\_

Organization \_\_\_\_\_

Department: \_\_\_\_\_

Division: \_\_\_\_\_

Address: \_\_\_\_\_

E-Mail: \_\_\_\_\_

Telephone: \_\_\_\_\_

Based on the criteria outlined in the CDTR Membership Guidelines, which type of membership are you applying for:

- |                               |                                      |
|-------------------------------|--------------------------------------|
| <input type="checkbox"/> Full | <input type="checkbox"/> Provisional |
| <input type="checkbox"/> New  | <input type="checkbox"/> Renewal     |

Please provide a one paragraph description of your research interests as they relate to diabetes

Which CDTR Cores would you potentially use? See CDTR website (<http://cdtr.wustl.edu>) for detailed descriptions of services available.

- Dissemination and Implementation in Diabetes Research Core
- Health Communication and Health Literacy Core
- Health Informatics in Diabetes Research Core
- Policy and Systems Science Analysis in Diabetes Research Core
- Research Partnerships with American Indian/Alaska Native Communities Core
- Solutions to Diabetes in Black Americans Core

In which of the following CDTR programs do you plan to participate? Detailed descriptions available at <http://cdtr.wustl.edu>

- Pilot and Feasibility
- Enrichment Program (seminar series, etc.)

What grants do you currently hold?

What grant applications do you plan to submit in the next 12 months?

Who are the primary faculty members you collaborate with?

Please submit electronically the following documents with this application

1. NIH Biosketch
2. Other support
3. Abstracts from any funded grants

I have reviewed the Center for Diabetes Translation Research Membership Guidelines and agree to follow these guidelines as well as actively participate in the further development of research within the Washington University Center for Diabetes Translation Research.
