Parent/Guardian Release and Indemnity Agreement
Infant Sleeping Position

We/I understand that the standard practice at Bright Horizons is to put an infant to sleep on his/her back as recommended by the American Public Health Association and the American Academy of Pediatrics. We/I have received and read material strongly urging that our/my child be placed on his/her back. We/I would like Bright Horizons to make an exception to that practice and place our/my child on his/her side _______ or stomach _______.

We/I, the undersigned, being all of the custodial parent(s) or other legal guardian(s) of (child’s name) _______________________________, a minor, do hereby release and agree to hold harmless, and to indemnify Bright Horizons Children’s Centers LLC, its subsidiaries, and all their employees, from any and all actions or claims, on account of personal injuries to said minor resulting from this decision concerning infant sleep position.

Each parent/guardian with custodial rights is required to sign below for the exception to be permitted. Consistent with Bright Horizons’ policy and NAEYC (National Association for the Education of Young Children) accreditation standards, the approval of your child’s physician is required to implement your request.
