EXPERIENCE

The SPAN Lab

Spring 2021 - Present

- I am working under Professor Bogdan's Lab (previously Professor Oltmann's Lab) on research regarding aging and development
- I recruited participants, ran appointments with cognitive assessments and surveys, and translated life narratives for the laboratory

The WELLab

Fall 2023 - Present

- I am working under Professor Willroth's lab to complete an honors thesis on changes in life satisfaction and the accuracy of people's evaluation of these changes.

The Cognitive and Development Lab

Spring 2022 – Summer 2023

- I headed on a study designing and collecting data on adult's perspective regarding contribution to the public good
- I developed a 44-item survey measuring people's willingness to contribute, their reasons for contribution, and the effect of government responsibility on peoples actions for the public good

LEADERSHIP & EXTRACURRICULAR WORKS

PL4Y Club

Vice-President

Spring 2021 – Present

- I am vice president of the KPOP dance club PL4Y on campus
- We have a total of over 100 general body members, and we plan one of the biggest student-run event at WashU - an annual showcase with over 100 dancers performing and over 700 audience members attending

WUSIF (Washington University Student Investment Fund)

Member

2020 – present

- Participating in education sessions of WUSIF to become an official analyst
- Engaging in pitches to learn more about the investment process of funds
- Learning about the 6 different industries: Industrials, Technology, Healthcare, Financials, Consumer Goods, Energy and Natural Resources
